The Passenger Act 1892

District of the City of New York, Port of New York.

I, Walter Dwyer Master of the S.S. Elia do solemnly, sincerely and truly swear that the following List or Manifest, subscribed by me, and no other, is a true and perfect list of all the passengers taken on board the said vessel at Medan from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of said passengers, the location of the compartment or space occupied by each during the passage, the country or citizenship of each, and also the destination or locality to which each is bound, and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and also of the pieces of baggage of each, also a true statement, so far as it can be ascertained, with reference to the intention of each passenger as to a protracted sojourn in this country. So help me God.

Sworn to this Nov 15 1892

Subscribed in my presence

# District of the City of New York, Port of New York.

I, Thomas C. Haggatt Master of the SS Lydian Monarch do solemnly, sincerely and truly  
 that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York is a  
 full and perfect list of all the passengers taken on board the said vessel at London  
 on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the  
 country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who  
 have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement, so  
 far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.

Subscribed to this 16th 1881  
 at New York
